

LOW-INCOME TAXPAYER CLINIC (LITC) – VOLUNTEER INFORMATION

Thank you for accepting an MVLS pro bono client for representation. The information emailed to you should assist you in your representation.

Case Status Update Forms

- Please take a few minutes to complete the Case Update/Closure forms quarterly and at closure of case. Without your case closure form, we don't know that the case is over or what the outcome were – both pieces of information about which we care very much!
- Because MVLS' tax controversy program is funded by an IRS grant, MVLS is required to report on a number of details concerning cases and hours spent by representing our low-income taxpayer clients. MVLS' Case Update/Closure Forms reflect these required data points and it is important that volunteers complete the forms as thoroughly as possible.
- Volunteers can find the Case Update and Case Closure Forms online at <https://mvslaw.org/forms/>.
- Tracking hours. While IRS requests that LITCs use the IRS format, MVLS recognizes that volunteers have their own mechanisms for tracking hours. Please do your best to provide total hours worked each quarter for each of the categories. If possible, please use IRS Form 13424-F to report hours spent representing your MVLS client.
